

Kenneth T. RICHARDSON and Don C. PEARSON
Division of Application No. 10/209,432
Preliminary Amendment

PATENT

REMARKS

The paragraph added to the specification by this amendment finds support in claims 36-48 of the application as filed. The canceled claims have all been examined and allowed in parent applications of which the present application is the most recent divisional application. No new matter is presented by this amendment, and consideration of the application as amended herein is respectfully requested.

Respectfully submitted,

M. Henry Heines
